## Welcome to the September 2017 First Friday Downtown Bangor Artwalk!

**We're so excited to have you explore all the artwork on display tonight throughout downtown Bangor. There's even some art for sale to add to your collection (hint, hint!).**

**Some locations — like the artist studios — have multiple stops in the same building. Don't miss any of the great stops! (Ask the artists if you aren't sure if there's more open in a building! They'd love to help.)**

**Thank you so much for supporting artists in our community.**
